**ABOUT BEANTOWN BEDDING**

Clean Dreams

Beantown Bedding co-founders, Joan Ripple and Kirsten Lambert, came up with the idea for disposable sheets when they learned that their college-aged kids rarely, if ever, washed their bedding while away at school. The thought of dust mites, bacteria, and mold making themselves at home in their sons' and daughters' beds made Joan and Kirsten's skin crawl. With their kids' health and hygiene in mind, they created laundry free eco-friendly sheet sets that can be used for days or weeks and then discarded....[Read More](#)

TRAVEL NECESSITY

"I loved these sheets! They were soft and comfortable, and I loved how I could dispose of them without feeling bad. It freed up space in my luggage for all the souvenirs. I used them in two hostels for a total of one week. I'll definitely buy them again."

- Tanya
