THUY-HANH TRAN

Education

SAVANNAH COLLEGE OF ART & DESIGN   2012 - 2016
Bachelor of Fine Arts: Animation   GPA: 4.0   Savannah/Atlanta, GA

Experience

OPAL   July - September 2016
Visual Design Intern   Atlanta, GA
- Responsible for branding and front-end design of a new Internet security start-up.
- Collaborated closely with engineers to implement early prototype of company's website using HTML 5, CSS, Javascript, and Bootstrap.

ORVIS   January - February 2016
Designer   Atlanta, GA
- Worked with an art director to create original illustrative designs for luxury scarves.
- Hand-painted illustrations were scanned and edited in Photoshop from feedback received.
- Final products scheduled to be carried in stores Fall of 2016.

Projects

I DO - WEDDING APP & WEBSITE   November 2016
Designer & Developer
- Provided solutions to problems prevalent in wedding planning by analyzing user needs.
- Designed quick iterations of wireframes and mockups in Sketch. Imported screens into InVision for rapid prototyping. Animated interactions using After Effects and Photoshop.
- Created a website using HTML 5, CSS, and Bootstrap to advertise features of the app.
- https://invis.io/5N9M1YVFE

FAIRFARE - APP & WEBSITE   May 2016
Designer & Developer
- Designed the UI of a mobile flight alert application by conducting several iterations of wireframes after each round of user testing in Axure.
- Mockups were created using Illustrator and Photoshop. Prototype was created in InVision.
- Developed a website using HTML 5, CSS, and Javascript to market the app.
- http://treehanh.github.io/FairFare/.

ANIMATED SHORTS FILMS   2013 - Current
CG Generalist
- Collaborated with students and professors on several 3D animated shorts doing storyboarding, 3D modeling, texturing, rigging, and visual effects utilizing Maya, ZBrush, After Effects, Photoshop and Premiere.
- Finished shorts are entered into film festivals internationally.
